A SCHOOL RIDE LLC

WHO WE ARE

A School Ride LLC was born in August 2009, from our need to transport our daughter to and from BASIS Scottsdale. Driving Kristen to and from school, 20 miles away, twice daily, was not an option for two working professionals.

While carpooling was a possibility, our primary concern was liability insurance in case of an accident. Knowing that most non-commercial drivers carry close to the statutory minimum insurance coverage for their vehicles, we were unwilling to risk a worst case scenario of an accident while carpooling to school with 2-3 other students.

We formed the LLC, purchased a minivan and commercial auto liability insurance, hired a commercial driver, and started this service with 7 students of similarly minded parents from the Desert Ridge/Grayhawk areas.

In our 8th year of operations, we transport a total of 190 students to and from charter and private schools daily.

WHAT WE DO

A School Ride LLC is a licensed and insured transportation solution for students and their busy parents. Convenient pick-up and drop-off locations are close to students' homes and serve a growing student population.

As a true "family owned" operation, we take our children's safety and education seriously—providing safe, reliable and on-time student transportation is what we do.
